## Airships Barry Hannah

Now considered a contemporary classic, *Airships* was honored by *Esquire* magazine with the Arnold Gingrich Short Fiction Award. The 20 stories in this collection are a fresh, exuberant celebration of the new American South?a land of high school band contests, where good old boys from Vicksburg are reunited in Vietnam, and petty nostalgia and the constant pain of disappointed love prevail. *Airships* is a striking demonstration of Barry Hannah's mature and original talent.
