The fire's never been this hot! But can they both take it?

Kali Jameson has a past exactly like her present. Nothing's changed since... Since him. The werebear who changed everything. She goes on with her life - singing, working at a little coffee shop, getting ragged on by unhappy customers. Nothing new. So when a blast from the past hits her up and reminds her that she has a debt to pay, Kali's not sure whether to be excited or terrified. If it takes her back to him, maybe a bit of both?

Rhodes Hamilton is on fire. His life is a maddening array of bad choices and he's only glad to make more. Coaxed by his brothers, he agrees to take one trip back to Shifter Grove, but that's it. He doesn't need a reminder of the man he could have been, and Shifter Grove is full of that. No way in hell is he going to stay! But few things could knock this firebear off his balance, but Kali is definitely one of them... so maybe staying could be an option?

With fire a constant threat and their joint dark past hanging over them, can Kali and Rhodes have a chance at happiness again? Or are they beyond saving this time?

Firebear Brides is a mail-order brides series with plenty of hot werebear action set in Shifter Grove. Each book can be read as a stand/alone with a guaranteed HEA/HFN. Expect plenty of sizzle. You might even need to bring your own hose.
