Cat - Book One of the Single Sound System of Learning to Read Patty Crowe

This is the first in The Single Sound System of Learning to Read. These phonics readers are designed to teach the student one sound at a time. Using this system, a person can learn to read easily and in a very short amount of time. There is no guess work involved in this system but just learning the sounds the letters make and then practicing them until the student has it down. The stories are funny and the pictures adorable.
