*"I never had a chance. He asked if I had done this before, but I hadn't. I was too innocent and they were just too strong for my young, inexperienced body. But I was constantly daydreaming about a new experience like this. I thought of their tough hands around my tiny waist, controlling my every move. I was wet with desire. These people ran the University, but soon they would run me. I needed to be ordered by a stranger, to be told what to do. So I got down on my knees and changed my life forever.*

Professor Cabello couldn't stop daydreaming about Jessica's young body. He knew she was cheating on him and he yearned to punish her for all her wrongdoings. He was constantly staring at her in their beautiful new home, putting his hands on her whenever he could. He fantasized about her naked, angelic body, punished only by his hand.

Her fragile demeanor was perfect for him. But she was a little tease, never giving in to his demands. When Jessica gets an unknown call, she receives some bad news. She's pregnant with his child. That's when Jessica realizes, she loves being a bad girl – and she needs more than just one love.

There is a secret she will have to uncover. But first: Jessica will be shackled and covered in their seed by the time they are through with her cute body. Pain and pleasure know no boundaries for this cheating girlfriend.
