Singing is an amazing accomplishment that almost everyone in the world wants to achieve. However, only a few people are actually lucky enough to successfully write a song, let alone sing it. Many people think that coming up with lyrics to a song is the hardest job in the world as it requires a high level of creativity which only poets & master musicians can conjure. I am here to tell you that this is just a stereotype and a misconception. Just take a look at the mainstream musical hits, for starters!

The book has purposefully been designed for those who want to learn how to write a song but don't know where to start from. It literally packs everything there is to know about writing a great song, from its structure to its thought process, nothing essential is left out. But the book also doesn't forget about your personal business and hectic schedule, especially if you're a person who's planning on doing this part-time. I've described a really simple way to write a song, all in an hour with the help of simple & refined techniques. Quite often, people tend to get bogged down in the useless details of writing a song, which not only slow the entire process down but also become a reason to lose interest in the whole process. Lucky for you, I've skipped all those boring essentials and have kept everything to the point, so you can easily & instantly apply the knowledge you learn from the book, into your practical life.

After you've read the book, I'm sure you'll feel as if a whole new side of your mind has opened up and you'll find it much easier to convert natural elements in your life to lines to a song. You'll start feeling alive and after writing 2 – 3 songs will get that singer-like personality, everyone strives for. Most importantly, you'll be able to give your thoughts a new meaning and convert them into a song in less than an hour, and even brag about it! All in all, the book is a complete package and will undoubtedly help you accomplish the quest for writing a song, successfully.
