Principles for the Gathering of Believers Under the Headship of Jesus Christ Gospel Fellowships

The book you are now reading is a clarion call to return to the Lordship of Jesus Christ and to join Him in building the Church He started on the day of Pentecost when He sent the promise of His Holy Spirit. -

Preface

God's ways are not man's ways. God is doing a new thing across the world. Traditional models of Church are older wineskins that are bursting as God is pouring out new wine in the movement of His Holy Spirit. House Church planting movements are occurring all over the world it is estimated there are **millions of new house Churches** started in just the last 30-40 years. Countries such as China where Christianity was being extinguished are now experiencing such a great revival that some estimate the Church currently to be at over 100 million believers. Hallelujah!

With over 30,000 registered denominations world-wide, the true members of the body of Christ are scattered abroad and divided into many different groups, in many cases over nonessential doctrines. We are in need of unified fellowships of brothers and sisters to meet under Christ's Lordship. Learn Principles of how to gather as believers **from the Book of Acts and Underground Churches in China, Iran and North Korea**. Prepare to be challenged by the commitment of these believers.
