People fall into two different groups when it comes to the Book of Revelation. The first group loves it. They study the prophecies and scan current events looking for signs of the end. The second will have nothing to do with it. Whichever group you're in, you'll gain fresh insights and new understanding of this important book through this study.

One message is clear in Revelation: Christ will be glorified. This central message resonates from beginning to end, from God's messages to the seven churches to His establishing of the New Heaven and New Earth. Each of the 14 lessons includes a Scripture passage to read (in the ESV), a devotional, and thought-provoking questions. Finally, you'll be challenged to go deeper in both your study of Scripture and your relationship with Christ, who will be glorified.
