90/10 Rule of Money: A Brief Thoughts on How to Build a Profitable Business Celeste Young

Getting your business profitable and cash positive is easier than you might think.

In fact, it can happen right now by reading this book.

This is the 90/10 rule.

It's deceptively simple, works like a charm and can be implemented within the month.

If this is your first book on investment, and concerned that it might be too complicated, please do not be concerned. All I ask is to open up your mind and read this book from the beginning to the end.

In fact, by reading the entire book, you will know a lot more about investing than many people who are being paid to give their investment advice. In many ways, this book starts simple and remains simple.
