Sergeant Melody Finnegan has never felt good enough—not for her family, not for her career, and especially not for First Sergeant Jason Stewart. But she was there for him once, on a night when he had no one, and she's never forgotten the way he made her feel. Jason has hated the holidays ever since his ex-wife took their four-year-old daughter and left on Christmas day. But while he may not believe in the holiday spirit, he does believe in his men. And this year they could use something to cheer them up more than ever before. When Jason is called on to play Santa at his unit's Christmas party, he has no choice but to accept, especially because this could be exactly what he's been wishing for... a second chance with Melody. Cold winter nights heat up fast when Jason and Melody reunite and reconnect in this steamy and sweet erotic romance.
