Born to Run LP: A Novel of Suspense (Jack Swyteck) James Grippando

Bestselling author James Grippando is back with another innovative and action-packed thriller featuring his ever-popular hero.

Jack Swyteck gets caught in a dangerous web of intrigue and murder at the top levels of the United States government in his most high-profile and disturbing case yet.

Miami criminal defense lawyer Jack Swyteck guards his own family secrets closely, after his father's two terms as Florida's governor made some personal rifts public. Things between the two men are finally better, and whenever Harry Swyteck asks for Jack's help he gets it. Suddenly, Harry needs it more than ever before.

When Harry's friend, the vice president of the United States, goes hunting for alligators in the Everglades and winds up dead, the president positions Harry to be his new VP. Harry immediately asks Jack to be his lawyer. The prestige that comes from the job turns lethal, however, when Jack finds himself at the heart of a complicated cover-up that spans nearly fifty years and the globe. Before hostages can be released, an old secret must be revealed, one that could threaten the life of the president of the United States himself.
