### **PUNISHING BELLE (BEAUTY AND THE BEAST)**

All **innocent** Belle ever wanted was a rose. Instead, her father returns from his journey with grave news. She is to accompany him to a castle owned by a strange and malevolent creature, a beast. What the beast intends to do with her, Belle does not know, only that she is to submit completely to his wishes if her father is to live.

But the beast's desires run much darker than poor Belle could ever imagine. Locked in his dungeon, surrounded by implements of pain and torture, will Belle fall to the monster, or will she find true pleasure within the agony to come?

## PUNISHING GOLDBLOCKS

Goldilocks has ventured deep into the woods. She knows the rumours, the stories of those more beast than man, shape shifters and cannibals alike, but still her curiosity presses her on. She soon comes across a small cottage where everything is mismatched, but there is food on the table to satisfy her belly and a bed to rest her weary head. When she wakes, Goldilocks comes face to face with the mysterious inhabitants of the house. They do not take kindly to a thief, even one as pretty as the innocent girl before them. It is agreed. She must be punished, taken until she is begging for more, bound, gagged and dripping wet. Will she survive their dark desires, or will she find herself at the mercy of their more primal intent?
