## Clan Map of the Scottish Highlands

The full title on the cover is "Johnston's Clan Map of the Scottish Highlands: Showing also Clan Tartans, Chiefs' Arms and Illustrations of Highland Dress, Ancient and Modern." By "showing" they appear to mean that there are many color illustrations on the map that depict these things (like the tartans). It was published by W.&A.K. Johnston & G.W. Bacon Ltd. In Edinburgh Scotland UK. This is a fold-out "clan map" and according to information of another site, marelibri, it would measure 38.5 inches tall by 28.5 inches wide folded into 7.7 inches by 4.75 inches covered by a sort-of cardboard-like cover arrangement. The map seems not to have been used or opened, but there are some rubs to the outer cardboard-like cover. It might be quite nice framed.... . There does not appear to be an edition or date of publication indicated, but it would seem to be "old"-ish since the book numbers listed are under "SBN" rather than "ISBN" and the numbers do not have the leading zero which seems to have been added later to the front of the numbers.
