When a beautiful young lawyer discovers her boyfriend dressed in satin and pleasuring himself to a forced feminisation video, she immediately terminates the relationship. Penniless, and with nowhere else to go, the ex-boyfriend must accept the only option available – to work as her live in cleaner.

Forced to serve her while she starts dating, he soon learns that his duties go far beyond those of any cleaner and is soon her sissy maid. Not content with his work at home, his ex-girlfriend sends him to work as a secretary for Charles Davant, a local businessman with a reputation for a firm hand but an open employment policy for transgender girls.

Thus the plot is set for a series of events in which our unnamed protagonist experiences forced feminisation, and scores the BDSM triple whammy of cuckold, sissy maid and total submission both to a mistress and master.

Alternatively titled 'La Vengeresse,' this erotic novel offers the reader unprecedented quality in plot, humor and erotic thrills within the genre of gender variant fiction. This work not only explores the feminisation experiences of the young man, but is a fascinating portrait of a woman who learns that she enjoys the art of feminine domination (femdom) and the humiliation of men.
