## If That's What Connie Wants: An FFM Threesome Erotica Story Angela Ward

When my best friend asked me to have a threesome with her, I was shocked! She wanted to give her husband a special birthday present. It would mean she'd share her husband with me and I'd have my first lesbian experience. I was unsure, but one thing was always certain. Connie always got what she wanted!

Warning: This ebook contains very explicit descriptions of sexual activity and includes first lesbian sex, threesome sex, and more. It is intended for mature adults who will not be offended by such content.

Here's a preview:

“I just...” Again I trailed off.

“I won’t be jealous, and I won’t be weird afterward. You don’t have to worry about that.”

I shook my head. “That’s not it. I...I’ve never been with a girl before Connie. I’m afraid I won’t do it right.” She smiled at me, and it was so wonderful to see her familiar smile that I felt myself growing more at ease. “Honey,” she said, “I’ve never been with a woman. We can both screw it up together.” I rolled my eyes and giggled, and she did the same. “What do you say? Wanna throw caution to the wind, screw up our first lesbian experience, make awkward love to your best friend’s husband, and then deal with the consequences later?”

I shook my head while I laughed. “You know I could never refuse you, Connie. Still, it’s going to be a little scary. Have you ever fantasized about being with a girl?”

She nodded her head vigorously. “Of course I have! I almost came on to you back at State during the music festival. You were dancing and I thought you looked so hot. That was the first time I realized I wanted to try being with a girl.”

That was both comforting and shocking. It felt nice to know she’d had similar feelings for me, and I agreed to the plan. She smiled and then leaned across the couch and kissed me. It was a soft kiss, a gentle kiss. Still, as her tongue flicked over mine and our lips lingered together it felt like a spectacular thing. It was so different from a man’s kiss and so damned wonderful. When she pulled away, her eyes were wide and she looked a little embarrassed. “There we go. Now we’ve had the first kiss so it doesn’t have to be awkward on Tuesday.”
