Swimsuits, sun, surfing, and a sexy Samoan.

I headed to the island of Oahu, Hawaii to meet with cutting-edge swimsuit fashion designer, Angel D'Amico, to serve as head model for the "Beauty Comes in All Sizes" swimsuit campaign. The designer wants to show the world that beauty is not just a size two. My curves got me into this gig, and, the moment I laid eyes on my modeling "partner," I'd never been happier with my buxom form.

Tai Niko had everything the average man lacked. Height, broad shoulders, a nipped in waist, square pecs, tree trunk thighs, and a look that rivaled "The Rock." The part that made me drool and weakened my knees, was the thick, intricate tribal tattoos running down the entire left side of his muscled frame from shoulder to ankle. The design was unlike anything I'd ever seen, and I couldn't wait to trace the tips of my fingers over every inch.

In the fifth book of the Calendar Girl serial, Mia is sent to Oahu, HI. Still on her mission to save her father, she embraces the model life to prove beauty really does come in all sizes.

Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations.

Warning: This book is designed for audiences 18+ due to language and graphic sexual content.
