## On Production Budget Book, The Robert Koster

With accompanying CD ROM.

This book offers both the novice and the experienced producer the best possible guidebook to creating and fine-tuning their budgets. Based on the leading film budgeting software, Movie Magic, this book takes the reader through each line item in the budgeting software and describes the background for that item, how it fits into the overall production, and, most importantly, any issues or pitfalls that may arise from this item. As Movie Magic is used by over 90% of the US film industry, this book will give vital budgeting experience to students and professionals alike. It also will be a vital reference for the large market of independent filmmakers who depend on accurate, easy-to-understand budgeting methods to seek funding for their projects.

The On Production Budget Book is designed to be an easy-to-use reference with each page of text facing the relevant screen from the budget. The accompanying dual platform CD-ROM contains an annotated version of Movie Magic customized by the author to tie in with the book. The whole package will demonstrate how to use the specific features of the software to create accurate budgets.

Robert Koster has over 35 years experience as a production manager and producer. He possesses an expert knowledge of Movie Magic, as he is currently a consultant and distributor for the software. He teaches film and TV production and budgeting as an adjunct professor at both UCLA and USC.
