**Technical Communication Today (3rd Edition)** Richard Johnson-Sheehan

Remaining firmly rooted in core rhetorical principles, *Technical Communication Today* presents computers as *thinking tools* that powerfully influence how we develop, produce, design, and deliver technical documents and presentations. Clear instruction describes technical documents and guides the reader through the activity of producing them, while a “chunked” narrative style, combining text with graphics, facilitates learning and models the way today’s technical documents should be designed.
