**Broslin Creek Boxed Set (Books 1-3)** Dana Marton

**Three gripping, fast-paced novels of romantic suspense from New York Times and USA Today bestselling author Dana Marton.**

"Marton knows what makes a hero...her characters are sure to become reader favorites." *RT Book Review Magazine*

**DEATHWATCH:** The only person who can identify the most notorious hit man in the country, Kate Bridges is running for her life. Murphy Dolan is in the Army Reserves, returning from his 2nd tour of duty, only to find a stranger hiding in his house. She's scared spitless. He's completely burned-out on violence. Neither of them has any trust left to give

**DEATHSCAPE:** After a near-death experience, artist Ashley Price is compelled to paint visions of the dead, and fears she's gone crazy. Then she paints a man buried alive and, recognizing the surroundings, she rushes to save him

Instead of being grateful to her for rescuing him, Detective Jack Sullivan accuses her of being in league with a serial killer. He swears he will put her behind bars. Except, the more time he spends with her, the more he falls under her spell. Can he trust her, or is he walking into another deadly trap?

**DEATHTRAP:** She'd been "the sick girl" for most of her life. She refused to go straight to "the weird girl". Heart-transplant recipient Sophie Curtis has been in her own antiseptic bubble for so long, she just might not be able to venture out into the real world again. Her spooky body memories are scary enough, but then she finds herself in the cross hairs of a killer.

"Love was blind, people said. But lust was blind, deaf and reckless." Ethan Bing hadn't been a great romantic before he became a cop. Whatever shred of optimism he had left after becoming Broslin Chief of Police had been seared out of him by the unsolved murder of his wife two years before. A new case brings the killer within reach just as Sophie pops into his life. She gets through his defenses like no other before, but soon it becomes clear that she's been selected as the killer's next victim.

"These tales artfully combine thrilling adventures with a enhancing element of paranormal that adds to the chills up one's spine." *Night Owl Reviews*
