## **Edward Lansdale: The Unquiet American** Cecil B. Currey

The Village Voice called the complex life of U.S. Air Force major general and CIA agent Edward G. Lansdale one of "Technicolor fascination". The maverick military thinker's brilliant counterinsurgency tactics preserved democracy in the Philippines, but his subsequent efforts to create "a broad-based, open society" in Vietnam failed following his return to the United States in 1956. Lansdale later led an undercover organization dedicated to bringing down Fidel Castro. This important biography of the legendary intelligence operative and master of political and psychological warfare is now available as a Brassey's Five-Star Paperback.
