"After searching different blogs/ youtube videos for the past month to learn how to boost my new companies site on Google and other search engines I decided I needed something that includes everything in a much more structured process to follow and this book delivered my just that and has been very easy to learn from so far. I now know how to effectively choose keywords and have thrown away some of the ones I now realize were no good to be using in the first place! I have been able to format my content much better and optimize it more effectively so I am targeting precisely and creating accessible/ unique content. The book also explains how to use social media to improve SEO which is the next step for me now my content is ready :)

A great book overall and I really hope to be able to purchase a 2nd book from Kenneth Lewis soon to take me through the more advanced levels of SEO.." - Dean, *October 2015*
