**Sherlock Holmes the Golden Years: Five New 'Post-Retirement' Adventures** Kim H. Krisco

Sherlock Holmes lamented, "I fear that retirement will elude me." It surely does in this five-story chronicle.

The saga begins with *The Bonnie Bag of Bones* that lead the infamous duo on a not-so-merry chase into the mythical mountains of Scotland and ultimately to the "the woman" who is tangled within a mystery that has haunted Holmes for a quarter century.

*Curse of the Black Feather* continues the adventure in which Holmes teams up with the Irregulars and a gypsy matriarch, to expose a diabolical "baby-farming" enterprise. Their quest arouses a vicious adversary, Ciaran Malastier, who has Holmes struggling for his very life.

*Maestro of Mysteries* begins with a summons to Mycroft's office and ends with a deadly chase in Undertown, far beneath the streets of London. Malastier escapes, but only into the next adventure.

*The Cure that Kills* sees Holmes and Watson in hot pursuit of Ciaran Malastier, racing across America and pitting them against the largest detective organization in the world.

In the final story, *The Kongo Nkisi Spirit Train*, Holmes and Watson travel to the Dark Continent to derail a "spirit train" that ensnares people's spirit, and enslaves their bodies. In the end, this historically accurate chronicle sheds new light on greatest mystery of all, Sherlock Holmes himself.
