Cold Moon Rising - Cry Wolf #2

New Adult Paranormal Romance

Passions flare when the cold moon rises...

Kelly: a normal college girl, who knows what she wants—to survive her final exams, and find someone to share her life with. Studying with Jacob is becoming too hot to handle; she's falling for him, but he's going too fast...

Jacob: a not-so-typical frat guy, who hides a secret—he's a werewolf. Whenever the moon is high, he's driven to shed his human form and satisfy his powerful desires. He craves Kelly, but she's pushing him away...

Fallout: Jacob can smell Kelly's arousal, but she insists she doesn't want sex. A wolf can only take so much before his natural instincts win out. When the tension between them explodes, Jacob has no choice but to walk...

Kidnapped! Kelly is abducted by evil scientists who've mistaken her for a female werecat and, despite their differences, Jacob has to try and find her. But it's a race against time and the lunar tides. The scientists have taken Kelly to their lab and turned her into a shapeshifter for real. The full moon is rising, and soon neither Kelly nor Jacob will be able to control their inner beasts. Who knows what the consequences will be when they are consumed by unquenchable animal lust...

The Cry Wolf series

#1 - The Witch Who Cried Wolf

#2 - Cold Moon Rising

#3 - The Wolf Who Played with Fire
