Fixing Bunions Without Surgery: How To Avoid Ending Up With Feet Like Your Mother Mr Daniel Fitzpatrick

This book is a simple and informative guide to absolutely everything you need to know about fixing your bunions, without surgery. Perhaps you have bunions, but have delayed seeing a podiatrist, or perhaps you have visited your GP, who has told you that surgery is absolutely your only option to treat them. The great news is that not only can you have your bunions fixed without surgery, but having your bunions fixed without surgery is, by far, the most effective and long-lasting treatment for bunions. It's true; for so long, doctors, and even some podiatrists, believed that surgery was absolutely the only treatment option for all bunions, irrespective of severity, but in more recent years, my team and I have developed and perfected a treatment that yields impressive and enduring results, even in severe cases. Better still, opting for non-surgical treatment is by far a cheaper alternative, and you don't even need to take time out of your busy lifestyle in order to tend to them—in fact, the more active you remain in this treatment, the better the outcome for treating your bunions! No longer do women have to reconcile themselves to wearing unattractive, flat shoes to fit orthotics. In fact, despite still being used by some practitioners for treating bunions, orthotics are not at all helpful in the treatment of bunions. Instead, using our tried and tested method, you could be wearing your favourite heels in time, without pain or danger of loss of sensation, which can occur with surgery. So, now that there is a solution to expensive and very painful surgeries that require long periods of convalescence and expensive and unsightly orthotics, there is no reason to delay booking an appointment to speak with one of our highly experienced and understanding clinicians. Call our Manly Beaches Surgery on 02 8966 9300, and begin your walk towards a happier and pain-free life.
