Arcipreste De Hita

Libro de buen amor (Spanish Edition) Arcipreste De Hita

El Libro de buen amor (1330 y 1343), también llamado libro de Arcipreste o libro de los cantares, ya que los manuscritos existentes no facilitan un título, es una obra del mester de clerecía del siglo XIV. Es una composición extensa, compuesto por más de 1700 estrofas de carácter variado, cuyo hilo conductor lo constituye el relato de la autobiografía ficticia del autor (Juan Ruiz, Arcipreste de Hita). Está considerada una de las cumbres literarias españolas de cualquier tiempo, y no solo de la Edad Media.

El libro contiene una colección heterogénea de diversos materiales unidos en torno a una pretendida narración autobiográfica de asuntos amorosos del propio autor, quien es representado en una parte del libro por el episódico personaje de don Melón de la Huerta. En él aparecen representadas a través de sus amantes todas las capas de la sociedad bajomedieval española.
