Relentless, Too! Ph D Charles Redding

The best time to come to know Jesus Christ personally is when you're young. Jesus can love you and guide you through any situation you may encounter in life. Dr. Charles Redding believes in this truth, which led to his creation of a devotional for children titled *Relentless, Too! A 40 Day Journey for Kids*. A pastor for children and families, happily married for thirty years, and father to two adult children, Charles has worked personally and professionally with families for many years. His background includes Christian education, childhood education, marriage and family counseling and speaking at conferences. However, in *Relentless, Too!*, Charles focuses on his youngest audiences to increase their knowledge of Christ at an early age. At the conclusion of each devotional, a prayer reminds readers of the previous devotional's topic and shows them how to include this newly acquired knowledge of the Lord in their prayer lives. The miscellaneous topics range from reading the Bible to bullying to lying to helping others. Each devotional is written so that young and mature readers alike can understand and relate to what Charles is discussing. *Relentless, Too!* offers hope and awareness of God's love to children. God knows the purpose of each person, no matter the age, and can help each of us achieve those purposes through obeying His Word. Connect with Charles!
