SILK Volume Four (Volume 4) K.M. Scott

Ian and Kristina's love has been tested over and over, but now one final test may be too much for them to overcome. The only part of his life other than Kristina that meant anything to Ian—his career—lays in shambles. Now he'll have to decide if he can forgive the woman he loves for betraying his most important secret. Kristina will do whatever it takes to get Ian back, and this time it won't be easy. But their love means too much for her to give up now. And just when they think they've finally found happiness, their love will be challenged one last time. This serial is not meant to be a complete story in each volume, so expecting a happily ever after at the end of each part is a mistake. SILK is a continuing story involving one couple, Ian and Kristina, and this is their story. There will be a happily ever after at the end of the entire serial, however. Also, four volumes will be all there is to SILK. This is not a story that's meant to go on after those four parts. SILK is meant to be erotic, and while it has a story in addition to the sex, that story is one of addiction and obsession, both sexually and non-sexually. Ian and Kristina are flawed and broken, and their story is one of mad and desperate love.
