The Cannibal John Hawkes

***The Cannibal* was John Hawkes's first novel, published in 1949.**

"No synopsis conveys the quality of this now famous novel about an hallucinated Germany in collapse after World War II. John Hawkes, in his search for a means to transcend outworn modes of fictional realism, has discovered a a highly original technique for objectifying the perennial degradation of mankind within a context of fantasy.... Nowhere has the nightmare of human terror and the deracinated sensibility been more consciously analyzed than in *The Cannibal*. Yet one is aware throughout that such analysis proceeds only in terms of a resolutely committed humanism." - Hayden Carruth
