As they grow closer, the threat to the mission escalates and time runs out for the hostages. Can Jake unravel the web of deception to save them all without getting caught in the crossfire?

Mya Amari has been in hiding nearly her entire life to escape her father's enemies. But when her sister is kidnapped along with an American diplomat, she'll do anything to bring her home--including walking into the enemy's lair. She doesn't trust anyone, especially the too-handsome-for-his-own-good Commander Williams, but when all her careful plans explode out of control, he's the only one she can turn to with the truth about her family. Is it too little, too late?
