**Weird N.J., Vol. 2: Your Travel Guide to New Jersey's Local Legends and Best Kept Secrets** Mark Moran, Mark Sceurman

**New Jersey is even WEIRDER than we thought!**

**From the authors of *Weird N.J.*—with more than 125,000 copies sold—comes a second amazing collection of the wonderful weirdness that fills every inch of the Garden State.**

One of the bestselling books ever to hit New Jersey was Mark Sceurman and Mark Moran's *Weird N.J.* The book was such a phenomenon that it began a whole series of *Weird* state books, each one a bestseller. But the Marks, as they are called, always knew that there were more, bizarre stories lurking in their own home state. So back they went, camera and notebook in hand, to travel the highways and byways of New Jersey to chronicle more weirdly bizarre stories. And what did they find? How about the pathway of a doctor's office paved with tombstones? Or a pumpkin-shaped house? Then there's the Hub Cap Tree, the Birdsville Church (yes, a church for birds), and the bowling ball pyramid that graces one proud resident's front lawn. Fun too are the haunted houses to visit, the ghosts to chat with, and the cursed roads to travel down. It's all part of the long, strange trip known as *Weird N.J.*
