## **A Colored Man's Reminiscences of James Madison** Paul Jennings

The first White House memoir ever written. A short reminiscence by a slave of James Madison's. This book is public domain and can be found in various places online for free, but there wasn't a Kindle version available, so I decided to make one. If I could make it free, I would, as it is very, very short and not really worth buying the physical copy of if you just want to read it quickly on a Kindle. This book was mentioned on the January 4th, 2012 episode of the Daily Show by his guest Elizabeth Dowling Taylor regarding her book: A Slave in the White House.
