Be Not Deceived: A Scriptural Refutation of the Adam God Theory Elwood G. Norris

Apostates from the Church of Jesus Christ of Latter-day Saints have embraced the erroneous doctrine that God, our Heavenly Father, is none other than the man Adam. They assert that Adam is the God and father of the spirits of all mankind, that he is the father of both the spirit and physical body of Jesus Christ. This belief is commonly known as the "Adam-God Theory." Representatives of apostate sects have attempted to infiltrate Latter-day Saint congregations and to spread this and other doctrines, while posing as members of the Church in good standing. Through lying and deception, they have sought to lead astray the uninformed and the unwary. Be Not Deceived is an essential reference book for every Latter-day Saint home, but it will be of particular value to those who have been approached by proponents of this false theory. In this book, for the first time, the "Adam-God theory" is subjected to intense scrutiny and to detailed comparison with the scriptures--the canonized word of God. The theory is carefully weighed in the balance and found wanting.
