Grieving Ritual:: Time for Classroom Healing Johanna Lopez

This small but powerful book defines the soul. It takes a complex subject and puts it in everyday language. It brings into focus, without being religious, how the spiritual side of humanity relates to the mind, heart, and body and how they all fit together. I searched for years for a book like this that gives a plausible answer to what the soul is. This is a spiritual exercise, meant for all who want to reflect on the relationship of Life to Death.
