Against the Beast: A Documentary History of American Opposition to Empire (Nation Books)

Against the Beast: A Documentary History of American Opposition to Empire (Nation Books)

Our form of government, our traditions, our present interests, and our future welfare, all forbid our entering upon a career of conquest, argued William Jennings Bryan, Colin Powell's predecessor as America's Secretary of State. American anti-imperialist tradition dates back to before the Declaration of Independence: Presidents Washington and Jefferson warned against imperialism in their farewell addresses to the country, Abraham Lincoln led the fight in Congress against wars of conquest, Henry David Thoreau spent his celebrated night in jail as part of a protest against an imperialist war, and Frederick Douglass, Jr., and Dr. W. E. B. Du Bois wrote extensively on expansionism. As the Bush administration seeks to spread American influence further than ever before, more Americans are asking whether imperialism threatens to destroy not just distant lands but the United States itself. Against the Beast collects the writings, speeches, comments, and cartoons of American anti-imperialist campaigners from four centuries, making the case that this finest of American traditions must be respected and renewed.

If you know how big benefit from a book, you can experience enjoy to read a book. In the modern era like now, many ways to get book which you wanted.

Mary Grubb:

That book can make you to feel relax. This specific book Against the Beast: A Documentary History of American Opposition to Empire (Nation Books) was vibrant and of course has pictures around. As we know that book Against the Beast: A Documentary History of American Opposition to Empire (Nation Books) has many kinds or type. Start from kids until teens. For example Naruto or Investigation company Conan you can read and believe that you are the character on there. So , not at all of book tend to be make you bored, any it offers you feel happy, fun and rest. Try to choose the best book to suit your needs and try to like reading that.

Sophie Clark:

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some reserve, they are complained. Just very little students that has reading's soul or real their hobby. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Against the Beast: A Documentary History of American Opposition to Empire (Nation Books) can make

you experience more interested to read.
