Awaken the Christ Consciousness within You Barbara Wilson

Barbara Wilson was an emotional wreck. The daughter of an abusive alcoholic, she grew up with virtually no self-esteem. She lived her life in fear and sadness. It was as if a black cloud of negativity followed her everywhere. Then she married the handsome son of a well-to-do family, and she thought all of her problems were solved. Unfortunately, her problems got worse. Her husband was diagnosed with an incurable fatal illness and given less than a year to live. With nothing to lose, she turned to prayer. Her prayers were answered, and she was guided to a cure. It was a genuine miracle! The profound experience she had in seeing her husband's life saved, started her on a spiritual journey. Over the course of this journey, she learned how to use the power of prayer and meditation to overcome fear, anxiety, and sadness, and replace them with love, peace and joy. Ultimately, her journey guided her to a healing ministry. This book chronicles her journey and shares the wisdom she learned. **Awaken the Christ Consciousness Within You** proves that miracles exist, and that God answers prayer.
