## Becoming Calder (A Sign of Love Novel) Mia Sheridan

From the *New York Times* bestselling author of *Archer's Voice*. *Becoming Calder* is the first part in a two-part romance series. The conclusion, *Finding Eden*, is available now.

There is a place in modern-day America with no electricity, no plumbing, and no modern conveniences. In this place there is no room for dreams, no space for self-expression, and no tolerance for ambition. In this place there is a boy with the body of a god and the heart of a warrior. He is strong and faithful and serves his family honorably. But he dares to dream of more.

In this place there is a girl with the face of an angel and a heart full of courage. To her family she is the vision of obedient perfection. But she dares to want that which she has been told can never be hers.

*Becoming Calder* is the story of good versus evil, fear versus bravery, and the truth that the light of love has always found its way into even the darkest of places.... From the beginning of time, to the end of the world.
