Kevin Kramer is the new senior vice president of the Products Profit center at Production Solutions. He's worked hard for all his success. It's taken him years to perfect a non-clammy handshake. But Kevin Kramer harbors many dark secrets. In fact, for everyone in these stories, avoiding the truth is a full-time job: An HR manager tries desperately to maintain order, even as the entire software department vanishes under mysterious circumstances. An estranged sister devises her comeback by throwing together a DIY wedding shower. A man who wears a Chewbacca costume feels he is uniquely qualified to divide the world into winners and losers. And a call center representative tries to give himself a pep talk after a particularly egregious client interaction.

The satirical short stories in *Kevin Kramer Starts on Monday* tell the tales of souls adrift in a corporate netherworld. The collection details the delusions the characters wear as comfortably as their khakis and no-iron button downs to skewer corporate culture and more generally, the lies we tell ourselves as humans in order to persevere.
