Rogues: A novel of the Demon Accords John Conroe

Demon Accords number 10. When a hunter is brutally mauled in northern Maine, it's presumed that a black bear is the killer. But an astute local deputy suspects a more supernatural element. His call for assistance is answered by the supernatural community sending one of their very best. If it takes a thief to catch a thief, who do you use to catch a werewolf? But nothing is ever simple in the preternatural world. There's more here than meets the eye. . . nose. . . ear. . . or fang.
