## **The Long Walk** Stephen King

In this number-one national best seller, "master storyteller" (*Houston Chronicle*) Stephen King, writing as Richard Bachman, tells the tale of the contestants of a grueling walking competition where there can be only one winner - the one who survives.

In the near future, when America has become a police state, 100 boys are selected to enter an annual contest where the winner will be awarded whatever he wants for the rest of his life. Among them is 16-year-old Ray Garraty, and he knows the rules - keep a steady walking pace of four miles per hour without stopping. Three warnings and you're out - permanently.

With an introduction by Stephen King on "The Importance of Being Bachman".
