## The Songs of Robert Burns

In this definitive work for our generation, Donald Low brings together, for the first time, the words and tunes of all Burns' known songs, both `polite' and bawdy.

*The Songs of Robert Burns* were, in their author's eyes, the crown of his achievement as a poet. After years of study and investigation, many hours spent listening to old airs, as he recalled the living, daily, song-life of the people of Scotland, and through the creation of some of the finest lyric poetry produced in the British Isles, Burns' success is beyond doubt.
