**Top the TOEFL:Unlocking the Secrets of Ivy League Students** Kaiwen Leong, Elaine Leong

*Top the TOEFL* is a TOEFL book like no other. It recognizes an essential key to the problem: students who struggle with the TOEFL have problems mastering English. Hence, while other TOEFL books teach strategies with long wordy explanations that hardly make sense to the average student, *Top the TOEFL* focuses on teaching students in the most intuitive way possible: examples.

Each unit is systematically broken down to make it simple for any student to *Top the TOEFL*. First, "Simple Steps" are condensed at the outset for easy reference. Next begins "Elaboration with Examples" — a section where the "Simple Steps" are put into practice. The unit concludes with the "TOEFL Trainer" which divides exercises according to the "Simple Steps", allowing students a chance to directly put the strategies to practice rather than just throwing students into the deep end by providing a full set of TOEFL practice tests.
