Is it the sex, or the power? The neighbors run outside when the electric guitar starts screaming. All the noise is coming from the house next door, and they soon find that the new people on the block are just a little different.

First the woman is rocking out in a sexy little leather number, and the next morning she's doing hot yoga moves in a very revealing outfit. She knows all about sex and control and she is ready and willing to share her wisdom.

8,600 words of erotic, adult fun.

This story was formerly titled, The Neighbors Seem Nice
