Cuffed features three tales of erotic bondage from Sommer Marsden, Alison Tyler, and Sophia Valenti.

Adults Only, please. These stories sizzle! This is an 8,500 word collection. "A word of advice - don't read this in public. Cuffed is the latest offering from a trio of smut mongers - and we're all so grateful that it's here. Alison Tyler begins this trilogy with an exquisite show-and-tell journey down the path of bad girl desires. As usual, she is descriptive and graphic in this tale of pretty v. plain, proving that there's more to a person than meets the eye, and that sexual satisfaction isn't always wrapped in the package you expect. It's hot, and nasty, and makes you moan out loud - which is why it was awkward to read in public last night. (see first line) Then the always inventive Sommer Marsden chimes in with a totally unexpected tale of an inventive former bad boy who get challenged by his wife. It's a story that I want to leave by the bedside table in hopes that my husband will learn a thing or two. And it makes me wonder how true to life some of Sommer's writing is. The sex is written steamy and sexy, and as always, hits the right (g) spot. Rounding out this smut-fest is Sophia Valenti with a thigh tingling tale of a good cop gone naughty. It's imaginative and descriptive, with real characters who suck you right into the bedroom. No question - required reading for every erotic mind."
