They walked through the shadows individually. Will they emerge into the light together?

Leading a vagabond life as a curator for a traveling photography exhibit translates to a lot of bad days for Rikki Salerno. But her trouble doubles when a careless high school student shoves her into a marsh. Being rescued by teacher Sam Kerrigan should have made things better, but Rikki's inability to confess her true identity casts a shadow over their budding affair.

When Sam refuses an overly aggressive parent's marriage proposal, she's determined to ruin him. Not only does she doctor photos to make it look like Sam's behaved inappropriately in front of students, she hacks the foundation website to reveal Rikki's true identity. Faster than the blink of a shutter, Rikki's focus changes from pursuing her full-color future to the black and white necessity of clearing Sam's name.
