Leoni Wolf lived and worked in Cherokee, North Carolina her entire life. It was her home and the place she belonged. Leoni once believed in fate and that everything happened for a reason. Until her wife, Tayanita, was killed in a tragic accident. What possible reason could there be for her death? The event shattered Leoni's world. Each day Leoni awoke, gazed at her reflection in the old free-standing mirror and convinced herself she could get through one more day. Nicola Daelis was tired of fate intervening in her life and wanted to throttle her. Before Nicola could act on the event that could change it all, fate landed a beautiful, dark-eyed woman in her lap and turned Nicola's world upside down. Fighting for their lives, and often against each other, Nicola and Leoni must embark upon an adventure that could be the beginning of something new. Or the end of them both.
