A Midnight Dance (Fiery Tales) (Volume 1) Lila DiPasqua

Inspired by the tale of Cinderella, a steamy historical romance that offers a glass slipper, a dangerous deception, and an impoverished beauty determined to find her handsome prince...and make him pay.

Born into wealth, Sabine Laurent and her twin sister lived a life of luxury, their father's prestigious theater frequented by royalty and aristocracy alike. And Sabine dreamed of her own Prince Charming--the devastatingly handsome Jules de Moutier.

That was before the loss of her sister and her family's fall from grace--a disaster Sabine blames on the Moutier family. Now, with her father's death, she's inherited his sizable debt and the responsibility of caring for his spoiled long-time mistress and her two wastrel daughters. But with the help of Sabine's eccentric friends--the balance of her father's acting troupe--she plans to get very close to her old infatuation, seduce the rake--and make away with a fortune.

Resisting Jules's skillful mouth and tantalizing touch is not as easy as Sabine supposed. And soon she must decide whether her desire for vengeance is greater than her desire for her one and only prince...

A full-length hot historical romance.
