**Practice Management and EHR with Connect Access Card** Susan Sanderson

**Practice Management and EHR: A Total Patient Encounter for Medisoft Clinical** is a unique one-semester text designed to teach allied health students how to work with an integrated practice management and electronic health record program. It covers EHR and insurance and patient billing so students obtain a comprehensive picture of documenting the administrative and clinical tasks that take place during each step of the patient encounter during an office visit. It prepares students for employment in both administrative and clinical positions in a medical office.
