Another original Prepper book for kids! Prepper Pete works very hard to keep his loved ones safe by preparing for events that may happen in the future. His family decides to thank him by giving gifts based on a longstanding tradition... with a Prepper twist! Children (and you're whole family!) will love singing this adapted version of a well-known classic! \*\*\*\*\* "Some people prepare because they are afraid. Our family does not have to be afraid... because we are prepared!" -Prepper Pete \*\*\*\*\* A note for grownups! Teaching kids the importance of being prepared doesn't have to be harsh or scary. Regardless of why you (or someone you may know) prepare, remember that the single most important thing you can teach your kids is how to think! All the preps in the world don't mean a thing if people don't know how to think clearly. Teach useful skills to all of the kids you know, to include critical thinking, problem solving, and the most important one of all - how to be resourceful! Prepper Pete and Friends are the first and only Prepper books on the market designed especially for kids! Check back often for new releases! Keep preppin'!!
