M/M Romance

15,842 words

Between his biochemistry classes and rigorous kickboxing training, Oliver Reyes has enough on his plate, thank you very much. With his first official match coming up, he doesn't have any time for distractions, even if they come in the handsome and muscular form of the team's captain Derek Vance. However, Oliver's friends encourage him to loosen up a little at the out-of-town kickboxing meet, and a unicorn costume, a mysterious masked stranger, and that Diablo known as tequila soon lead to an unforgettable post-competition night in Vegas.

Once the team returns to San Francisco, can Oliver somehow go back to his no-nonsense daily grind of classes and training? Or will his wild night of make-believe in Sin City result in some real-life--and really attractive--distractions?
