EIGRP Network Design Solutions: The Definitive Resource for EIGRP Design, Deployment, and Operation Ivan Pepelnjak

Ideal for professionals who are designing, implementing or troubleshooting enterprise, dial-up, or service provider networks with EIGRP. EIGRP Network Design Solutions uses case studies and real-world configuration examples to help you gain an in-depth understanding of the issues involved in designing, deploying, and managing EIGRP-based networks. It details proper designs that can be used to build large and scalable EIGRP-based networks, and documents possible ways each EIGRP feature can be used in network design, implementation, troubleshooting, and monitoring. With this comprehensive reference, you get detailed coverage of all EIGRP technologies, including DUAL, transport protocol, and topology database. In addition you get extensive coverage of EIGRP deployment over WAN and dial-up networks and information on such features as filter lists, route maps, summarization, EIGRP pacing, and MD5 authentication. EIGRP Network Design Solutions will help you build and maintain more scalable and reliable networks. *Learn from troubleshooting and design scenarios based on real-world experience *Use all protocol families supported by EIGRP: IP, IPX, and AppleTalk *Explore EIGRP network operation issues and usage of scalability features *Deploy EIGRP over Frame Relay, ATM, and ISDN *Find coverage of all EIGRP technologies, including DUAL, transport protocol, and topology database

From reader reviews:

Allison Devore:

Often the book EIGRP Network Design Solutions: The Definitive Resource for EIGRP Design, Deployment, and Operation has a lot details on it. So when you check out this book you can get a lot of help. The book was compiled by the very famous author. Mcdougal makes some research just before write this book. This particular book very easy to read you may get the point easily after scanning this book.

Sherrill Height:

Beside this kind of EIGRP Network Design Solutions: The Definitive Resource for EIGRP Design, Deployment, and Operation in your phone, it may give you a way to get nearer to the new knowledge or information. The information and the knowledge you may got here is fresh from your oven so don't possibly be worry if you feel like an old people live in narrow commune. It is good thing to have EIGRP Network Design Solutions: The Definitive Resource for EIGRP Design, Deployment, and Operation because this book offers for your requirements readable information. Do you sometimes have book but you rarely get what it's exactly about. Oh come on, that would not happen if you have this within your hand. The Enjoyable arrangement here cannot be questionable, like treasuring beautiful island. Use you still want to miss that? Find this book along with read it from currently!

Fernando Gallimore:

In this particular era which is the greater man or who has ability in doing something more are more precious than other. Do you want to become among it? It is just simple approach to have that. What you have to do is just spending your time little but quite enough to experience a look at some books. One of several books in the top list in your reading list is actually EIGRP Network Design Solutions: The Definitive Resource for EIGRP Design, Deployment, and Operation. This book that is qualified as The Hungry Hillside's can get you closer in turning out to be precious person. By looking up and review this guide you can get many advantages.

Jewell Brundage:

As a pupil exactly feel bored for you to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just minor students that has reading's heart and soul or real their pastime. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this EIGRP Network Design Solutions: The Definitive Resource for EIGRP Design, Deployment, and Operation can make you experience more interested to read.
