Chandra Hunt has worked hard to become the first detective sergeant in her graduating class. When her best friend disappears, her search leads to a hedonistic adult club called Foreplay. There she encounters a tall, dark, scandalously handsome blue-eyed stranger who insists she share a raunchy dance with him. In Chandra, centuries-old vampire Sin-Bad Stoner has finally found a woman to replace the one he's spent hundreds of years mourning. But Chandra already has a man in her life and is likely to resist all efforts to strip her of her hard-fought independence. Undeterred, Sin-Bad devises an elaborate plan to lure her to his isolated country mansion where he and his brothers eagerly await her arrival. Although she willingly spends a long night exploring their mutual sexual hungers, Chandra rebuffs his attempt to dominate her. In response, Sin-Bad launches a ruthless campaign of conquest designed to culminate in the eternal surrender of her heart, mind, body and soul.
